

Emergency First Aid at Work & Automated External Defibrillation

We are able to offer the **Emergency First Aid at Work course with AED** (training conforms to current Resuscitation Council (UK) guidelines). This course can be adapted to suit a particular audience and is ideal for lower risk businesses, in line with the Health and Safety (First Aid) regulations 1981. The course is run over one day and includes both theory and practical sessions, in a relaxed atmosphere, designed to boost a candidate's confidence.

The syllabus includes:-

First Aid Priorities
Managing Incidents
Basic Life Support
Examination of a Casualty
Unconsciousness
Control of Bleeding
Burns and Scalds
Regulations
First Aid Kits
Recording and Reporting
AED Theory & Practical

Certification is dependent on successful continuous assessment of the student, there is no final exam. Those students who complete the course and are deemed to have reached the required standard are issued with a certificate that is valid for three years*.

Cost

The cost of this course is £225
£10 charge per candidate for certification and manual
Maximum 12 candidates
